| Web Developer Intern Baabtra LLP | July 2021 - October 2021 <i>Calicut, KL</i> |
|--|--|

PROJECTS

KhanalTech Dashboard. Built a tool to streamline operations at Khanal Foods by developing an internal dashboard. This project focused on integrating core features such as GRN Creation, Crate Assignment, Production Order management, and Ledger Creation, catering to the needs of internal team members and ground workers.

(Tech Stack : *Next.js, Frappe, SAP B1, AWS, and Rest APIs*) (erp.khanaltech.com)

Analytics Platform. Offering detailed insights into SKU performance within specified date ranges. It encompasses thorough analysis of unit orders, sales, returns, revenue, top-selling categories, customer trends, item performance, and channels, all presented graphically for easy interpretation.

(Tech Stack : *React.js, Pandas, Frappe, SAP B1, AWS, and Rest APIs*)

Vendor Registration Form & Gatepass Solution. seamlessly integrated with SAP, facilitating effortless GST and bank details verification, and streamlining payment processes and gatepass solution efficiently records vehicle details upon material arrival

(Tech Stack : *Frappe, SAP B1, Cashfree*)

Event Management Web App. proficiently handling numerous events, slashing administrative overhead by 30% while garnering acclaim for its intuitive user interface.

(Tech Stack : *Django, Html/Css, Ajax, Apache Server*)

School Management Web App. Crafted a School Management Web App for a prestigious course provider, catalyzing a 30% surge in student enrollment while reducing administrative errors by 40%

(Tech Stack : *Django, Html/Css, Ajax, Apache Server*)

CRM platform. has 7 login roles: admin, accounts, CRM, HRM, project manager, employee, and clients. The entire project workflow is managed seamlessly through this platform from start to finish

(Tech Stack : *Django, Html/Css, Ajax, Apache Server*)

EDUCATION

BACHELOR IN COMPUTER SCIENCE,

(2019 - 2021)

Calicut University

XII - Higher Secondary, Vmhss morayur , Malappuram

(2017 - 2019)

EXTRA-CURRICULAR ACTIVITIES

- Attended International Conference On Robotics
- Ncc 'C' Certificate Holder
